Simplified RICH radiator volumes

Each RICH is represented by an entry plane and an exit plane enclosing the radiator region.

RICH1: z 795.0 to 2237.2 mm

exit XY size 1384.1 x 1142.5 mm
thetaX 25-300 mrad, thetaY 25-250 mrad

RICH2: z 9487.5 to 11839.2 mm

exit XY size 2855.1 x 2375.8 mm
thetaX 15-120 mrad, thetaY 15-100 mrad
